

# Saint Joseph's ICT Student Contract Middle/Upper Primary

I understand that the use of the internet and school-owned devices is a privilege.

I have read and discussed these expectations with my teacher and my parents.

I agree that if I do not meet one or more of these expectations in regard to the use of ICT, I may not be able to use devices for an appropriate period of time and/or face other disciplinary consequences.

## EXPECTATIONS FOR APPROPRIATE STUDENT USE OF ICT

- 1) ICT should be used for educational purposes only.
- 2) Staff members have the right to check all written, graphic, audio and other materials created, produced, communicated, stored or accessed on ICT by students.
- 3) Students should alert their teacher immediately, should they accidentally access or receive any inappropriate material or communication.
- 4) Family-owned devices should not be brought to school, without permission of a teacher.
- 5) Be polite and courteous when communicating online.
- 6) Correctly acknowledge the work of others according to copyright laws.
- 7) Respect the privacy and work of others, including other students and staff members.
- 8) Handle all ICT equipment with care.
- 9) Only use ICT with permission and supervision by a teacher.
- 10) Only visit sites that have been approved by the teacher.
- 11) Do not interfere with files belonging to others.
- 12) Never disclose passwords, usernames and other confidential or personal information to others.
- 13) Never download anything without the teacher's permission.
- 14) Never take photos of other students without permission of the teacher and student.
- 15) Do not communicate with people online unless you know them in real life.
- 16) Do not click on pop-up banner ads- close them immediately.

I, \_\_\_\_\_ agree to abide by the expectations for
