

An Interview with MISS DALLIMORE!!

As a special treat, in this week's newsletter you will have the opportunity to get to know a little more about one of our newest staff members, our amazing Year 4 teacher, Miss Teagan Dallimore. Miss Dallimore is doing a sensational job and all her students are loving her class. Recently, Rhiannon and Kayne sat down with Miss Dallimore to conduct an interview.

Why do you think you were hired to work at St. Joseph's?

I'm really not sure! Having studied at Notre Dame, I think I had the correct qualification. I had done quite a few teaching pracs also, through Notre Dame, so I think that helped me to show that I was ready for a job like this. I must have done something right in my interview, too, I guess.

Please tell us about your professional history; where have you worked aside from Saint Joseph's and what roles have you had?

Before I got this job, I was living in Dunsborough and I used to work at the IGA there, working on the checkout. I also worked at the fish and chips shop, so I had two part-time jobs when I lived there. When I moved to Perth, I got a job as a carer for a little boy with Downs Syndrome. I looked after him when his parents couldn't, so I used to take him out to the beach for a swim, to the movies and that sort of thing.

What professional qualifications do you have? Are you studying anything at the moment or do you plan to in the future?

I have completed four years of study at university. That was a Bachelor of Education degree. I am not doing any study at the moment and don't plan to in the next few years, as I've only just finished my main degree.

What do you enjoy most about working at St. Joseph's?

I love the kids. I love that there are small student numbers. The staff and the community are great. The parish is wonderful too. The location of the school definitely appealed to me also.

Compassion
Safety
Responsibility**

20th June 2019

What are your interests in life outside of St. Joseph's?

I enjoy playing netball and other sports and fitness activities. I do enjoy crochet and I love to draw.

Why did you choose this school in particular to work at?

I knew I wanted to work at a Catholic school, so I was only looking at Catholic schools. I didn't want to stay in Perth. I used to visit Pemberton for holidays with my family, so I knew a bit about Pemberton already. So, when I saw the job advertised, I was excited to apply.

Do you enjoy teaching Year 4, or are there other year levels you would prefer to teach one day?

I do love teaching Year 4. I have never done any work in Year 4 before this year- my main teaching prac was in a Year 6 class. I did enjoy teaching the older kids, but I think I love teaching Year 4 even more.

First Holy Communion

Please pray for those wonderful Year 4 students who will be receiving the Sacrament of First Communion this Sunday, 23rd June at the 10.30am Mass:

Alexis Love
Charli Omodei
Joshua Ebsary
Edge Van Hazendonk
Sebastian Vesely

I encourage all members of our community to come along and help celebrate this very special occasion. Following the Mass, there will be a celebration in the School Hall, with food and drink available for all to share.

Just a reminder that all families are asked to provide a plate of food for this occasion. Year 2/3 families are responsible for coordinating the catering and Year 4 families are responsible for decorating the Hall. However, of course we welcome a helping hand from anyone in our community.

I thought it might be timely to highlight some words of wisdom from Pope Francis regarding the significance of the Eucharist. I hope Sunday is a wonderful day of celebrations for our First Communion families.

“So, let us ask ourselves, in adoring Christ who is really present in the Eucharist: do I let myself be transformed by him? Do I let the Lord who gives himself to me, guide me to going out ever more from my little enclosure, in order to give, to share, to love him and others? Let us pray that participation in the Eucharist may always be an incentive: to follow the Lord every day, to be instruments of communion and to share what we are with him and with our neighbour. Our life will then be truly fruitful.” Pope Francis

Data Collection Forms

Thank you to those families who have already returned their Data Collection Form, which was attached to a previous newsletter. Just a reminder of the importance of these forms- the information you provide directly influences our school funding. **Please submit these to the office by tomorrow, Friday 21st June.**

Cross Country Carnival

Congratulations to our Inter-School Cross Country team, including students from Year 3-6, who represented our school with such pride at last week's Inter-School Cross Country Carnival. The wet weather largely stayed away, and we were all so impressed with the determination with which our runners competed in their races.

Well done Lucia Gibellini from Yr. 2 who came 6th running in the Year 3 race and also Charlie Omodei from Year 4 who came in 6th in her year group race. Great job girls!! 😊

St Joseph's came in 2nd in the Small Schools Score, 8th in the Outright Score and in the Handicap Score. Thanks to all who participated.

KP1 Assembly

Please join us if you can for the upcoming KP1 Class Assembly on Thursday 27th June at 9.00am. It promises to be a morning of great entertainment and I look forward to finding out a bit more about what our KP1s have been up to.

Absentees

It is now a school policy that parents need to contact the school office either by phone or email if their child is going to be absent or late. If your child is absent or hasn't arrived by 9.30am and we haven't heard from you, then you will be contacted by the school to confirm their absence. All absentee notes can be either be sent to the office or emailed to admin@stj.wa.edu.au Thank you for your cooperation in this matter.

Bishops Religious Literacy Assessment

Early next term, students in Year 3 and Year 5 will participate in the annual Bishops Religious Literacy Assessment. This assessment measures students learning of the R.E. curriculum. If you have a child in Year 3 or 5, please check your child's bag- they should have brought home an information note earlier this week.

Year 5/6 Car Wash Fundraiser

You may recall earlier this year we held a "Water-Carrying Challenge", where we raised well over \$1000 for Caritas Australia. The students have been determined ever since to raise the remaining \$3000 or so that would enable Caritas to fully provide and install a solar-powered water pump for a community in need.

Accordingly, our Year 5/6 Class will be holding a Car Wash fundraiser. On Friday July 5th between 8.50am and 10.40am, our Year 5/6 students will be ready to wash your car on our school oval, in exchange for a donation towards our fundraising efforts. You can decide how large or small the donation- perhaps once assessing the quality of the wash! While you wait, you are welcome to enjoy a cup of tea or coffee and a biscuit in our Hall.

Please call the school on 9776 1180 to reserve spot for your car. We appreciate your support of this initiative!

God Bless,
Brett Wilkie

WHAT'S COMING UP?

Fri 21st Data Collection Forms due into office

Sun 23rd First Holy Communion Sacred Heart Church 10.30 am

Thurs 27th Kindy/Pre-Primary/ Year 1 Assembly

From Rose's desk...

Classroom News.....

Kindy/Pre-Primary/Yr.1

As we bring our Toys theme to an end, we are preparing to share some of our learning at our assembly next week. The children are very excited about the story dramatisation we have created and a song which we are busy practising every day.

The children will finish their mini museums this week and are keen to share these on assembly day too. Thank you to parents and grandparents who have searched through their childhood belongings for a favourite toy to share with the children. They have really enjoyed the experience which has contributed to their understanding of how some toys from the past have changed.

Today, in maths, the children began exploring money as they investigated the features of our coins. What are those animals on each coin? What is this coin made from? What does the number mean? What shapes are the coins? We are really into asking interesting questions lately! Once we learn a bit more about our currency, we will be setting up a shop together through which our learning is going to be even more fun!

With the Year 4s receiving their First Holy Communion this Sunday, it is a great time to begin our next Religion Unit - Celebrate! We will explore different celebrations the children have experienced and share those of Jesus, including The Last Supper. This should lead us to the end of term when we might have a little celebration of our own!

Yr. 5/6

The year 5/6 students have begun research on their research reports, which are to be read as speeches when finished. They have chosen some mature and interesting topics for their reports and are currently aiming to hone their research skills to be able to find the best and most relevant information possible. In other news, as we are nearing the end of Term 3, we are also nearing the end of our class story! We have been reading *Awful Aunt* by David Walliams and we are right in the chaos of the main character Stella and her friend Soot the ghost trying to stop Awful Aunt Alberta from taking her house. The students have been making some wild and amusing predictions as to how this story will end and have demonstrated great skills for comprehension along the way. What will we read next term I wonder?...

Rose will be back on deck next week.
Our office hours are yet to be worked out

P & F News.....

Canteen Roster:

Tuesday 25th June Amanda Keough

Tuesday 2nd July Sarah De Campo

We appreciate your time and service volunteering in our Canteen. If you are unable to do your rostered day, please contact another parent and arrange a replacement. Thanking you again for your assistance

Bunbury Regional YouthCARE Council
presents
MAGGIE DENT
Real Kids in an Unreal World
(10 Resilience Building Blocks)
JULY 31, 2019 - 6-8PM
Bunbury Regional Entertainment Centre

Are you worried, confused or concerned about parenting in today's chaotic world? Children need to have certain basic experiences to build the competencies that will help them manage life – the good, the bad and the ugly. Maggie has developed a common-sense, practical model of 10 building blocks that will reassure parents and educators that what we have always known to be important in the early years of a child's life is still important. This seminar will offer you practical, common-sense ideas and strategies to make small changes in your home or school, which will make a big difference to children's cognitive, physical, psychological, emotional and social health later in life.

Tickets: \$30
Tickets on sale at

Accordingly, our Year 5/6 Class will be holding a Car Wash fundraiser. On Friday July 5th between 8.50am and 10.40am, our Year 5/6 students will be ready to wash your car on our school oval, in exchange for a donation towards our fundraising efforts. You can decide how large or small the donation- perhaps once assessing the quality of the wash! While you wait, you are welcome to enjoy a cup of tea or coffee and a biscuit in our Hall.

Please call the school on 9776 1180 to reserve spot for your car. We appreciate your support of this initiative!

God Bless,
Brett Wilkie

WHAT'S COMING UP?

Fri 21st Data Collection Forms due into office

Sun 23rd First Holy Communion Sacred Heart Church 10.30 am

Thurs 27th Kindy/Pre-Primary/ Year 1 Assembly

From Rose's desk...

Classroom News.....

Kindy/Pre-Primary/Yr.1

As we bring our Toys theme to an end, we are preparing to share some of our learning at our assembly next week. The children are very excited about the story dramatisation we have created and a song which we are busy practising every day.

The children will finish their mini museums this week and are keen to share these on assembly day too. Thank you to parents and grandparents who have searched through their childhood belongings for a favourite toy to share with the children. They have really enjoyed the experience which has contributed to their understanding of how some toys from the past have changed.

Today, in maths, the children began exploring money as they investigated the features of our coins. What are those animals on each coin? What is this coin made from? What does the number mean? What shapes are the coins? We are really into asking interesting questions lately! Once we learn a bit more about our currency, we will be setting up a shop together through which our learning is going to be even more fun!

With the Year 4s receiving their First Holy Communion this Sunday, it is a great time to begin our next Religion Unit - Celebrate! We will explore different celebrations the children have experienced and share those of Jesus, including The Last Supper. This should lead us to the end of term when we might have a little celebration of our own!

Yr. 5/6

The year 5/6 students have begun research on their research reports, which are to be read as speeches when finished. They have chosen some mature and interesting topics for their reports and are currently aiming to hone their research skills to be able to find the best and most relevant information possible. In other news, as we are nearing the end of Term 3, we are also nearing the end of our class story! We have been reading *Awful Aunt* by David Walliams and we are right in the chaos of the main character Stella and her friend Soot the ghost trying to stop Awful Aunt Alberta from taking her house. The students have been making some wild and amusing predictions as to how this story will end and have demonstrated great skills for comprehension along the way. What will we read next term I wonder?...

Rose will be back on deck next week.
Our office hours are yet to be worked out

presents
MAGGIE DENT
Real Kids in an Unreal World
(10 Resilience Building Blocks)
JULY 31, 2019 - 6-8PM
Bunbury Regional Entertainment Centre

Are you worried, confused or concerned about parenting in today's chaotic world? Children need to have certain basic experiences to build the competencies that will help them manage life – the good, the bad and the ugly. Maggie has developed a common-sense, practical model of 10 building blocks that will reassure parents and educators that what we have always known to be important in the early years of a child's life is still important. This seminar will offer you practical, common-sense ideas and strategies to make small changes in your home or school, which will make a big difference to children's cognitive, physical, psychological, emotional and social health later in life.

An Interview with MISS DALLIMORE!!

As a special treat, in this week's newsletter you will have the opportunity to get to know a little more about one of our newest staff members, our amazing Year 4 teacher, Miss Teagan Dallimore. Miss Dallimore is doing a sensational job and all her students are loving her class. Recently, Rhiannon and Kayne sat down with Miss Dallimore to conduct an interview.

Why do you think you were hired to work at St. Joseph's?

I'm really not sure! Having studied at Notre Dame, I think I had the correct qualification. I had done quite a few teaching pracs also, through Notre Dame, so I think that helped me to show that I was ready for a job like this. I must have done something right in my interview, too, I guess.

Please tell us about your professional history; where have you worked aside from Saint Joseph's and what roles have you had?

Before I got this job, I was living in Dunsborough and I used to work at the IGA there, working on the checkout. I also worked at the fish and chips shop, so I had two part-time jobs when I lived there. When I moved to Perth, I got a job as a carer for a little boy with Downs Syndrome. I looked after him when his parents couldn't, so I used to take him out to the beach for a swim, to the movies and that sort of thing.

What professional qualifications do you have? Are you studying anything at the moment or do you plan to in the future?

I have completed four years of study at university. That was a Bachelor of Education degree. I am not doing any study at the moment and don't plan to in the next few years, as I've only just finished my main degree.

What do you enjoy most about working at St. Joseph's?

I love the kids. I love that there are small student numbers. The staff and the community are great. The parish is wonderful too. The location of the school definitely appealed to me also.

**Respect
Compassion
Safety
Responsibility**

20th June 2019

What are your interests in life outside of St. Joseph's?

I enjoy playing netball and other sports and fitness activities. I do enjoy crochet and I love to draw.

Why did you choose this school in particular to work at?

I knew I wanted to work at a Catholic school, so I was only looking at Catholic schools. I didn't want to stay in Perth. I used to visit Pemberton for holidays with my family, so I knew a bit about Pemberton already. So, when I saw the job advertised, I was excited to apply.

Do you enjoy teaching Year 4, or are there other year levels you would prefer to teach one day?

I do love teaching Year 4. I have never done any work in Year 4 before this year- my main teaching prac was in a Year 6 class. I did enjoy teaching the older kids, but I think I love teaching Year 4 even more.

First Holy Communion

Please pray for those wonderful Year 4 students who will be receiving the Sacrament of First Communion this Sunday, 23rd June at the 10.30am Mass:

Alexis Love
Charli Omodei
Joshua Ebsary
Edge Van Hazendonk
Sebastian Vesely

I encourage all members of our community to come along and help celebrate this very special occasion. Following the Mass, there will be a celebration in the School Hall, with food and drink available for all to share.

Just a reminder that all families are asked to provide a plate of food for this occasion. Year 2/3 families are responsible for coordinating the catering and Year 4 families are responsible for decorating the Hall. However, of course we welcome a helping hand from anyone in our community.

I thought it might be timely to highlight some words of wisdom from Pope Francis regarding the significance of the Eucharist. I hope Sunday is a wonderful day of celebrations for our First Communion families.

“So, let us ask ourselves, in adoring Christ who is really present in the Eucharist: do I let myself be transformed by him? Do I let the Lord who gives himself to me, guide me to going out ever more from my little enclosure, in order to give, to share, to love him and others? Let us pray that participation in the Eucharist may always be an incentive: to follow the Lord every day, to be instruments of communion and to share what we are with him and with our neighbour. Our life will then be truly fruitful.” Pope Francis

Data Collection Forms

Thank you to those families who have already returned their Data Collection Form, which was attached to a previous newsletter. Just a reminder of the importance of these forms- the information you provide directly influences our school funding. **Please submit these to the office by tomorrow, Friday 21st June.**

Cross Country Carnival

Congratulations to our Inter-School Cross Country team, including students from Year 3-6, who represented our school with such pride at last week's Inter-School Cross Country Carnival. The wet weather largely stayed away, and we were all so impressed with the determination with which our runners competed in their races.

Well done Lucia Gibellini from Yr. 2 who came 6th running in the Year 3 race and also Charlie Omodei from Year 4 who came in 6th in her year group race. Great job girls!! 😊

St Joseph's came in 2nd in the Small Schools Score, 8th in the Outright Score and in the Handicap Score. Thanks to all who participated.

KP1 Assembly

Please join us if you can for the upcoming KP1 Class Assembly on Thursday 27th June at 9.00am. It promises to be a morning of great entertainment and I look forward to finding out a bit more about what our KP1s have been up to.

Absentees

It is now a school policy that parents need to contact the school office either by phone or email if their child is going to be absent or late. If your child is absent or hasn't arrived by 9.30am and we haven't heard from you, then you will be contacted by the school to confirm their absence. All absentee notes can be either be sent to the office or emailed to admin@stj.wa.edu.au Thank you for your cooperation in this matter.

Bishops Religious Literacy Assessment

Early next term, students in Year 3 and Year 5 will participate in the annual Bishops Religious Literacy Assessment. This assessment measures students learning of the R.E. curriculum. If you have a child in Year 3 or 5, please check your child's bag- they should have brought home an information note earlier this week.

Year 5/6 Car Wash Fundraiser

You may recall earlier this year we held a “Water-Carrying Challenge”, where we raised well over \$1000 for Caritas Australia. The students have been determined ever since to raise the remaining \$3000 or so that would enable Caritas to fully provide and install a solar-powered water pump for a community in need.

Accordingly, our Year 5/6 Class will be holding a Car Wash fundraiser. On Friday July 5th between 8.50am and 10.40am, our Year 5/6 students will be ready to wash your car on our school oval, in exchange for a donation towards our fundraising efforts. You can decide how large or small the donation- perhaps once assessing the quality of the wash! While you wait, you are welcome to enjoy a cup of tea or coffee and a biscuit in our Hall.

Please call the school on 9776 1180 to reserve spot for your car. We appreciate your support of this initiative!

God Bless,
Brett Wilkie
