Principal's highlight of Year 4 classroom

Welcome Back!

I hope all of our families enjoyed a safe and relaxing break from our busy school routines. Term 3 will be jam-packed with many highlights, so I hope everyone is looking forward to getting stuck into it.

Principal's Highlights of the Year 4 Classroom

This week, I would like to highlight the wonderful learning environment created by Miss Dallimore and her Year 4's. Above, is the poet-tree- a wonderful visual that was used to highlight the poetry work that was done during Term 2. It is great to see such a strong focus on literature in Year 4.

Another thing that I love in Year 4 is the way that Miss Dallimore has set up display zones for each of the important learning areas. There is so much good work being produced, so it is a great idea to display it, as this creates a sense of pride and belonging amongst the Year 4 students, as well as encouraging them to strive for excellence.

But the biggest thing you notice when you spend some time in Year 4, is just how content and comfortable the students are- there is no doubt that Miss Dallimore's calm, warm and caring personality is rubbing off on the students. I encourage you to call in to the Year 4 classroom at your convenience for a closer look at some of the great things that are happening in there.

Fortnightly Newsletter

This term, we are trialling a fortnightly newsletter, rather than weekly. In the 'off' weeks, we will send home a one-page update of important dates and reminders. We welcome your feedback on the fortnightly newsletter concept. Don't forget to also follow us on Facebook for frequent updates on what's happening around the school. Just search for 'St Joseph's School Pemberton'.

Sports Uniform- Monday, Thursday and Friday this term

This term, students will need to wear sports uniform on Mondays, in addition to the regular Thursdays and Fridays. This is due to us running our 'Options' program on Mondays.

Welcome Back Miss Moynihan

With Mr and Mrs Kelly still enjoying their long-service leave, we are very lucky to be able to have Miss Emma Moynihan here on most days in Weeks 1-3 in a relief capacity.

Emma was our Year 4/5 teacher last year and is having a break from her year of travelling. All of the staff and students are so excited to have Miss Moynihan back- she will be covering Phys Ed and some of Mr Kelly's other lessons.

NAIDOC Assembly

You are welcome to join us on Monday next week (29th July) at 10.30am for a special NAIDOC Assembly. We will also be judging the winners of our Aboriginal Art competition at this Assembly.

Class Newsletters

Also, next Monday, your child should bring home the latest Class Newsletter, featuring some important details of what to expect in each class over the coming weeks. These Class Newsletters will also be available on the school website.

Year 2/3 Class Mass

Our Year 2/3 students will attend a Class Mass next Wednesday, 31st July, at 10.00am. All are welcome to join them for this Mass.

TREE Conference

During the two pupil-free days at the beginning of this week, our staff enjoyed the chance to attend the biannual TREE Conference at Kearnan College. This conference was attended by close to 100 staff members from various Catholic schools in our region and featured almost 30 different presenters. It was a great opportunity for our staff to build their professional networks, while also learning about the latest educational trends.

Cattle Fundraiser

Over the last couple of years, our P&F have facilitated a very successful fundraiser, involving the purchase, raising and selling of cattle. This fundraising idea raised a very impressive amount of money for our school, which has been put toward items such as classroom furniture, reading resources and IT devices.

We would love to repeat this fundraiser, as it was so successful. If your family owns a suitable property and you would be willing to play host to a cow or two, please let us know in the office. Your constant support of our school is appreciated.

Mr Wilkie Away

Please note that Mr Wilkie will be away for all of Week 2 (Catholic Primary Principals Association Annual Conference) and Week 3 (long service leave). My apologies for any inconvenience caused. If you need to get in touch with me during this period, please feel free to email (brett.wilkie@cewa.edu.au) me or pass a message on to me through Rose in the office.

God Bless,
Brett Wilkie

SUSTAINABLE SCARECROW COMPETITION

It is with great pleasure we invite your school to compete at the 2019 Perth Royal Show in the Sustainable Scarecrow Competition.

The aim of the Sustainable Scarecrow Competition is to involve children in aspects of sustainability and to encourage their interest in the concept of growing their own edible plants and keeping those plants safe from predatory birds.

We would like to create an interest in the next generation about where their food comes from and how to keep it safe while growing.

PRIZE & JUDGING

The competition will be judged, and certificates and rosettes will be awarded to First, Second and Third places. Up to two Highly Commended awards may also be awarded.

All classes that enter, will receive one family pass for the teacher, and individual passes for the entire class to attend the Perth Royal Show.

FREE
SHOW
PASSES

Judging will take place on Saturday 28 September 2019. The Judges' decision is final, and no correspondence shall be entered into. The Honourable Kim Beazley AC, Governor of Western Australia will be choosing his favourite on judging day Saturday 28 September with the possibility for display at the Government House gardens. Results will be announced and awards distributed after the conclusion of the Show.

In the event of a tie, the School gaining the highest number of First places will be judged the winner. Should a tie still exist, the School gaining the highest number of Second places will be judged the winner. If a tie still exists an equal award may be made.

THE COMPETITION IS

- Open to Primary and Secondary Schools within Western Australia.
- Free to enter

COMPETITION RULES

1. Each school can provide up to 2 scarecrows - 1 from Primary and 1 from Secondary (if applicable).
2. Scarecrows and any props must be made from sustainable and recycled materials.
3. Scarecrows must be freestanding with a size not exceeding 1.5m in height or 1m in width.
4. Scarecrows must be delivered on Thursday 26 September 2019 between 8am and 5pm. Delivery location to be advised.
5. Exhibits must be collected on Monday 7 October 2019 between 9am and 1pm, unless pre-arranged with the Competition and Event Coordinator. Uncollected exhibits will be disposed of.
6. Entries close Friday 16 August 2019 - visit <http://entries.perthroyalshow.com.au>

The scarecrow will be displayed for the duration of the Show and has the potential to be viewed by 400,000 Show patrons.

Should you have any queries please do not hesitate to contact the Competition and Event Coordinator on 9263 9431 or via email at schoolscarecrowcompetitions@raawa.org.au. We look forward to the participation of your school.

MAGGIE DENT

Real Kids in an Unreal World
(10 Resilience Building Blocks)

JULY 31, 2019 - 6-8PM

Bunbury Regional Entertainment Centre

Are you worried, confused or concerned about parenting in today's chaotic world? Children need to have certain basic experiences to build the competencies that will help them manage life - the good, the bad and the ugly. Maggie has developed a common-sense, practical model of 10 building blocks that will measure parents and educators that what we have always known to be important in the early years of a child's life is still important. This seminar will offer you practical, common-sense ideas and strategies to make small changes in your home or school, which will make a big difference to children's cognitive, physical, psychological, emotional and social health later in life.

Tickets: \$30

Tickets on sale at
