Book Week dress up day
- Wednesday 27th Nov:  
Annual General Meeting
- Wednesday 4th Dec:  
Yr 6 Graduation Mass
- Wednesday 11th Dec:  
Awards and Carols Night

## Swimming Lessons

This week the Pre-primary and Year One students excitedly commenced Swimming Lessons.

Thank you for having them super organised for us with all their gear and food requirements.

## Uniform and Hats

From next week, sport clothes days are back to Thursday and Friday and our 'no hat, no play' rule returns!

Year Ones are looking very fresh in their Summer uniforms and as the weather warms up all students are welcome to wear sandals on non-sport days.

## Welcome Back!

Well, what a busy start to a busy term! Grandparents day was fantastic and enjoyed by all and now it is straight into swimming lessons! Before long it will be Book Week and then the Christmas Concert!

## Lots of Learning!

In between all of the above we will continue on our Inquiry Learning path as we investigate how plants grow.

We will be wondering do all plants need seeds to grow and what happens to the seeds when they are planted into the soil?

We are looking forward to lots of hands on imagination and observations to try and answer these big wonder questions.

Our main topics during Maths sessions will be volume and capacity and concepts of time.

Religion lessons will be all about appreciating the gift of memory and the ability to learn, communicating love through prayer and, of course, Christmas—Jesus' birthday!

In music we will continue to work on beat and rhythm skills and explore and respond to various types of music. We will also have a go at making our own drums!

Art this term will be closely linked to our seed and plant inquiry as we learn about how botanists use observational and still life drawing/painting in their work.

## Portfolios

We hope you enjoyed your child's portfolios and assessments. Please remember to return these books soon so we can fill them to the end with more of your child's fantastic work from Term 4.

## Library Day

Library day will continue on Thursdays this term. Please enjoy reading your child's book during the week and assist them to return it each Thursday.

## Homework

Homework will resume next week. Please let us know if you have any queries regarding this.

## Oral Language

Thank you for your assistance with our sometimes challenging news themes this year! This term we will continue to develop oral language skills, replacing news sessions with a larger focus on class-based activities such as meaningful discussion, targeted questioning and presentation skills.

Have a great day!  
From Mrs Kelly,  
Mrs Ellis & Mrs McRae

*Grandparents' Day*
