

YEAR PP/1/2

PARENT INFORMATION NIGHT

TEACHER: MISS MILLIE CHARLTON

MEET THE TEACHERS

The educators in the Year 1/2 class are Miss Millie Charlton with the support of Mrs Suzanne Moynihan.

The students will also be taught by our school specialist teacher Mr Greg Kelly during the week.

These learning opportunities will include: Health and Science on Tuesdays and Sport on Thursdays and Fridays.

HOMEWORK

READING

- Each week students will bring home a home reader book and a reading log.
- Please listen to your child read every night and talk with your child about the book they read to help develop their comprehension skills.

SPELLING

- Each weeknight students will complete a spelling activity to reinforce the spelling sound/rule we are learning in class.

MATHEMATICS

- An additional Maths challenge may be sent home to help develop your child's problem solving skills.

CONTACT INFORMATION

Email: millie.charlton@cewa.edu.au

Please feel free to send me an email. I check my emails every morning and afters and once during the day if I can.

CLASSROOM EXPECTATIONS

CLASS KINDNESS BUCKETS

The concept of 'Bucket Filling' is a visual way to get children aware of their actions and words and how those actions and words affect themselves and others.

The idea is that everyone has an invisible bucket. That bucket is filled or emptied each day. Kind actions and words fill buckets, whereas hurtful actions and words empty buckets. The goal is to always have a full bucket and to help others fill their buckets.

Every time your child does a kind action or speaks a kind word they will receive a dot of their paper bucket (displayed in the classroom). The aim is to earn 10 dots for 8 buckets. That is a total of 80 good deeds or actions.

The goal is to have students' become more aware of their actions and always strive to be kind. We would love to continue the bucket filling experience at home as well. If you see your child doing or saying something kind over the weekend you can write it in their diaries. On Monday I will give your child a dot on their bucket for each kind action recorded. Please only record two actions.

MJR & PBS

Making Jesus Real (MJR) and Positive Behaviours in Schools (PBS) are two whole school programs that are closely aligned to our school's philosophies. They are used to support the students in learning and developing positive attitude and social skills, often using Jesus as a role model for the choices and attitude to have towards others and our learning.

PARENT COMMUNICATION

SEESAW

Download the App 'Seesaw' to see your child's work

COMMUNICATION BOOKS

Your child has their own Communication Books which will be sent home each day. Any notes will be placed inside the Communication Book.

FRUIT

Instead of shared fruit, this year students will have the chance to eat a piece of fruit from home while having a shared story.

Please ensure that your child has a piece of fruit they like, packed in their lunch box for this session. If your child requires their fruit to be cut (i.e. an orange or apple) please cut it up at home ready to go.
