ELIGIBLE CONTAINERS

CONTAINERS FOR CHANGE

What a great fundraiser! Making money from containers that would go to landfill or worse!

Each family will receive a 'key tag' so that the profit from every container that is recycled comes back to our school. More information to follow of these.

Containers may be left in the designated bin situated between the brick wall of the playground and the wire oval fence. Please do not leave any other items in the bin other than acceptable containers.
