

Kindy/Pre- Primary/Yr. 1 Class Newsletter

Week 7 Term 2, 2021

So Much Learning and Fun

It's hard to believe that we are already at Week 7. The classroom has been a hive of activity since the start of the term. The children did a wonderful job leading the Mother's Day Liturgy and we've also managed to get out and about in our Community with some excursions, have a look at the photos on the back page for some highlights.

Ms Vassallo is now busy planning and teaching most of the lessons with Mrs Kelly and Mrs Ellis helping along the way. Emma is with the class until the end of Week 9. It has been wonderful to have her as part of our class throughout the term.

Class Assembly

It's hard to believe but preparations for our class Assembly have already begun. It is sure to be an entertaining show for everyone with each child to have their own special parts.

*If you haven't already marked the date in your calendar, please do. **Monday 21st June at 9.00am in the School Hall.***

Class Assembly

What are we learning?

The children's ongoing enthusiasm for learning has been wonderful this term with each child entering with a smile and warm welcome for their classmates.

We have just started our final Religious Education unit for the term based on the Church. The students will explore how they can belong to different groups within the community and how the Church is a community where people can come along to learn and grow closer to God through Jesus.

In Maths, we are coming to the wend of our unit about Positional language and after revising some important number skills will finish off the term with an investigation that will involve us designing and making a 3D model of town.

While in English we are continuing to develop our narrative writing by exploring great narrative texts, telling our own narrative and soon writing a narrative of

News Days

Thank you all for your support with news this term, the children have enjoyed sharing some special items with their classmates.

Below is a reminder of which students are on either Tuesday or Thursdays.

Please try to send news in on the correct day, so our number of news tellers is even each session.

Tuesdays: Ava, Theo, Reuben, Patrick, Kelvin and Josie

Thursdays: Michael, Jessie, Archie, Niamh and Emilia

Thursday & Friday Fruit Time

Just a reminder that on Thursday and Friday all children eat their own piece of fruit. Can you please ensure your child brings a piece of fruit they like and if it needs cutting, that it is already cut in a container with their name on the container so we can ensure the container is returned to the correct home.

Inquiry "What makes a Farm a farm and a Town a town?"

There has been lots of sharing of ideas and experiences in our Inquiry lessons lately as our big question is something that everyone has their own ideas and experiences to share.

This inquiry has allowed us to use a range of different investigation techniques from drawing on our own experiences, to using the internet to help us research and clarify our thinking. One of the most powerful and enjoyable forms of investigations, though, has been getting out into the real world on some excursions to see, taste, touch and smell things for ourselves.

A huge thank you to the Collins Family for letting us come and visit your farm and to all the staff at Wild at Heart Café for your service and Mrs Robin Fox for the yummy take away muffins from Café Brasil. Your generosity and time has helped support the children's learning in many ways.

Up Coming Events

- **Public Holiday** Monday 7th June
- **Catholic Day – No School** Tuesday 8th June
- **Whole School Mass** Wednesday 9th June @ 10.00am (Yr 4/5 Leading)
