CLASSROOM LEARNING

The start of Term 3 has been a very busy one, with lots of learning and extra curricula events taking place. When you glance over at the upcoming events you will see there are many more fun events planned for the remainder of the term. Please take to the time to ensure they are all placed into your diary.

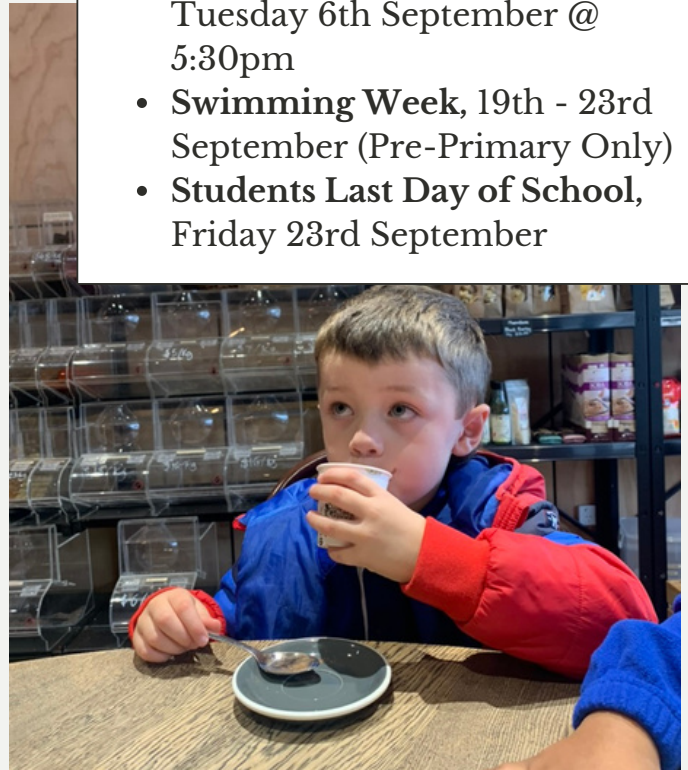

Amongst all of these events, we have continued to explore and learn a great deal in the classroom.

Following on from our inquiry about animal habitats that culminated in our Assembly we are now exploring the little things that can be found in our gardens and bushlands. We are exploring living and non living things and taking a very close look at caterpillars and butterflies.

UPCOMING EVENTS:

- **Book Week Fair**, This week in the Library
- **Book Week Parade**, Wednesday 24th August @ 9:00am in the Hall
- **Father's Day Breakfast**, Friday 2nd September @ 8:00am

In our other learning areas, we are continuing to develop our skills and knowledge whilst working together and playing. During **English**, we are using our shared books to explore stories about small creatures in our gardens and are creating our own stories. In our **Maths** lessons, we are learning about all the different types of measurement and how we can order objects by length, mass and area. In **Religion**, we are completing our unit about Confirmation and are about to learn about the very first sacrament we make, Baptism and how our names help make us the special person we are.
