

K/PP CLASSROOM NEWS

WEEK 6, TERM 4

Classroom Learning

Wow, it's hard to believe we are past half way of our final term for 2022. The term has started with a bang with a number of events having already taken place.

While there has been some illness go through the class, the children have continued to work hard and have demonstrated a growing determination to get their work done and try their hardest.

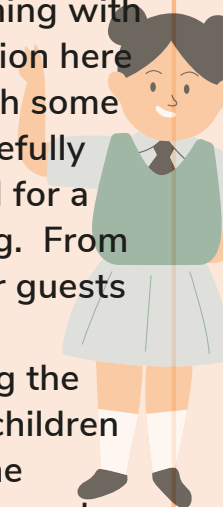

This work ethic is going to come in very handy in the coming weeks as we begin to get ready for the end of year concert and events. This year, the K/P class will be presenting the Nativity story with the wonderful help of our big buddies in the 5/6 class, along with a special Christmas song performed just by us.

Along with preparations for the concert, for the remainder of the term we will be continue to explore the story-lines and structures of narratives in English. In Mathematics we will be learning about the types of questions to ask to gather information (i.e. yes/no questions vs open questions) and how we can use graphs and tallies to record results and answer simple questions about our surveys. Then we will explore money with a focus on Australian coins, both gold and silver.

Grandparents Day

We had a wonderful conclusion to our inquiry about celebrations this morning with our very own celebration here in the classroom. With some help, the students carefully planned and prepared for a Grandparents morning. From working out who their guests would be and writing invitations, to planning the games and food, the children had a hand in it all. The morning was full of joy and included games played by grandparents and children, a mini performance and finally a delicious morning tea for all.

End of Year Concert

The annual End of the Year Concert is closer than you think! For this year's concert, all costumes needed will be supplied by the school. Can you please ensure that your child is dressed in a red, green or white Christmas shirt and a pair of black pants or shorts (depending on weather on the night). The concert will take place in the Mill Hall. Please ensure the night of Wednesday, 7th December is free for a wonderful night of entertainment and fun.

Interschool Sports Carnival

The Pre-Primaries are getting very excited about the Interschool Sports Carnival this Friday, 18th November, at PDHS. The Pre-Primaries will be participating with the PDHS students in a number of different team games and their very first 50m individual running race. Their events will be finished before lunch, you are welcome to come to the St Joe's tent and sign them out after their events and they can remain with you at the carnival or go home. If you have ordered them a lunch order it will be delivered to our tent where you can come and collect it.
