

# YEAR 3/4 TERM FOUR

Welcome to the final and busiest term of the year. As we conclude another wonderful year of learning, we look forward to celebrating two significant milestones in our community: 75 years of St Joseph's School and 25 years of Sacred Heart Church.

This term, our learning will be centred around an integrated inquiry into the importance of bees and their role in our environment. Students will explore this topic across a range of learning areas and apply their knowledge through a hands-on sustainability project, creating beeswax wraps to sell at Market Day. With many exciting learning opportunities, celebrations and school events ahead, we look forward to a rewarding and memorable final term.

## Key Events this Term

### OCTOBER

**16<sup>th</sup>** - P&F Meeting 1:20pm  
**19<sup>th</sup>** - Waste Sorted Schools Incursion  
**19<sup>th</sup> - 23<sup>rd</sup>** Mission Week

- Human Footprint
- Impacts of waste
- Friction, Gravity, Air resistance and magnets

## HASS

- Sustainable use of environments
- Exploring citizenship and community groups
- Local government
- Rules and Laws

## Sport

Athletics Carnival Practice

- Running
- Long Jump
- Triple Jump
- Discus and Shotput
- Team Games

## Health

- Bodily integrity
- Understanding abuse
- Respectful relationships
- Strategies to promote a healthy lifestyle

## Important Information

**Crunch 'n' Sip:** We allow students to have a small fresh fruit or vegetable snack during class time. Please send this in a small container and ensure it is easy for your child to eat independently during lessons.

**Library:** Please remember library books each Thursday.

**Homework:** Homework will commence in week 2. Students are encouraged to read every day, review their spelling focus and work on any Maths worksheets sent home.
